34-3**A Bar**

Seats for four are arrayed on one side. The bar is beautifully carved mahogany. The bar is well stocked with sotch, whiskey and other proper English spirits. You cannot get behind the bar, but if there is a bartender, you may ask them to pour you a drink.

If you take a drink from the bartender, pay them back by chatting to them about your character.

Please do not remove this.
It will be taken down by Dec 3rd, 2017.
